

STATE OF WASHINGTON
Washington Student Achievement Council
SOLE SOURCE TRANSPARENCY POSTING

The Washington Student Achievement Council (WSAC) contemplates awarding a sole source contract to SolutionsIQ, Inc. to provide support and enhancements to TheWashboard.org website.

The primary reason for this decision is the unique abilities and expertise of the contractor we wish to hire. SolutionsIQ has worked on the site extensively over the last two years and has recently completed a contract to enhance the site. The follow-on nature of the support and enhancement work we are looking to have done by Solutions IQ makes them a highly cost effective choice for this project.

In addition, the work they have successfully completed in the past gives us confidence in their abilities to successfully complete a new contract with little additional risk to the agency.

The contract will be issued on or about 3/17/2014 for 15 months with the possibility of two two-year extensions. The dollar value is estimated at \$130k for the 15-month period.

In the absence of other qualified sources, it is the state's intent to make a sole source award of the contract.
