### **3.4. COST PROPOSAL**

The maximum fee for this contract exclusive of WSOS Team costs and Additional Opportunities for Partnership costs must be five hundred thousand dollars (\$500,000) per year or less in order to be considered responsive to this RFP.

The evaluation process is designed to award this procurement not necessarily to the Bidder of least cost, but rather to the Bidder whose proposal best meets the requirements of this RFP. However, Bidders are encouraged to submit proposals which are consistent with state government efforts to conserve state resources.

#### **A. Identification of Costs (SCORED)**

Identify all costs in U.S. dollars, including expenses to be charged for performing the services necessary to accomplish the objectives of the contract exclusive of WSOS Team and Additional Opportunities for Partnership costs. The Bidder is to submit a fully detailed budget, including non WSOS Team staff costs and any expenses necessary to accomplish the tasks and to produce the deliverables under the contract. Bidders are required to collect and pay Washington state sales and use taxes, as applicable. The Bidder may provide a separate abbreviated proposal and cost for each function under Additional Opportunities for Partnership that they care to bid. **THESE ABBREVIATED PROPOSALS AND COSTS WILL NOT BE SCORED.**

Costs for subcontractors are to be broken out separately. Please note if any subcontractors are certified by the Office of Minority and Women's Business Enterprises.

## **B. Computation**

The score for the cost proposal will be computed by dividing the lowest cost bid received by the Bidder's total cost. Then the resultant number will be multiplied by the maximum possible points for the cost section.

### **3.5. AUDIT AND 990**

For each of the two previous fiscal years, Bidders shall provide an audited financial statement prepared by an independent CPA, a management letter containing comments and recommendations with respect to accounting and administrative controls and efficiency, and IRS Form 990 (and 990-T).

## **4. EVALUATION AND CONTRACT AWARD**

### **4.1. EVALUATION PROCEDURE**

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this solicitation and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team(s), to be jointly determined by the BOARD and AGENCY. The evaluation team(s) will determine the ranking of the proposals.

The RFP Coordinator may contact the Bidder for clarification of any portion of the Bidder's proposal.

### **4.2. EVALUATION WEIGHTING AND SCORING**

The following weighting and points will be assigned to the proposal for evaluation purposes:

Technical Proposal – 20%		20 points
Project Approach/Methodology	13 points (maximum)	
Quality of Work Plan	17 points (maximum)	
Management Proposal – 50%		50 points
Project Team Structure and Internal Controls	15 points (maximum)	
Staff Qualifications/Experience	25 points (maximum)	
Experience of the Bidder	10 points (maximum)	
Cost Proposal – 30%		30 points
<b>TOTAL</b>		<b>100 POINTS</b>

AGENCY and the BOARD may consider information about a Bidder it becomes aware of after proposals are considered and reserves the right to award the contract to the Bidder whose proposal is deemed to be in the best interest of the BOARD, the AGENCY and the state of Washington.

#### **4.3. ORAL PRESENTATIONS MAY BE REQUIRED**

The AGENCY and the BOARD, after evaluations of the written proposals, may elect to schedule oral presentations of the finalists. Should oral presentations become necessary, RFP Coordinator will contact the top-scoring Bidder(s) from the written evaluation to schedule a date, time, and location. Commitments, if any, made by the Bidder at the oral presentation will be considered binding.

The oral presentation, if required, will be primarily for purposes of clarifying matters submitted in the written materials. Based on the oral presentation, the evaluation team may add or subtract points from the scoring of the written proposal. After consideration of all materials and information presented, an Apparent Successful Bidder will be selected based on the proposal that best satisfies the provisions of RCW 39.26.160.

#### **4.4. NOTIFICATION TO BIDDERS**

The AGENCY will notify the Apparent Successful Bidder of its selection in writing upon completion of the evaluation process. Individuals or firms whose proposals were not selected for further negotiation or award will be notified separately by e-mail.

#### **4.5. COMPLAINT PROCEDURE**

Complaints may be made by any vendor who is a prospective bidder. The complaint process occurs early in the solicitation to catch mistakes and errors before vendors must submit a bid. A vendor may file a complaint based on one or more of the following reasons:

- The solicitation unnecessarily restricts competition.
- The evaluation/scoring process is unfair or flawed.
- The requirements are inadequate or insufficient so that a response is difficult to prepare.

Complaints must be in writing, describe the reason(s) for the complaint, and provide sufficient basis for the complaint. The complaint must state the RFP number, the reason(s) for the complaint with specific facts and complete statements of the basis for the complaint. A description of the corrective action or remedy being requested must also be included. Complaints must be signed by the vendor or an authorized Agent.

Complaints may be submitted by mail, e-mail, or hand delivered and must be addressed to the RFP coordinator.

Complaints must be received by the RFP coordinator no later than 5:00 PM, local time, in Olympia, Washington on the fifth (5th) business days prior to when the bids are due. Complaints received less than five (5) business days prior to when the bids are due will be reviewed and considered at the sole discretion of the AGENCY.

The RFP coordinator will respond in writing to all complaints within three (3) business days of receipt of the complaint, and a copy of the response will be posted on WEBS. The response will include the decision, how the review was conducted, and the basis upon which a decision was made. The AGENCY decision regarding the complaint is not appealable. The complaint may not be raised again during the protest period.

#### **4.6. DEBRIEFING OF UNSUCCESSFUL BIDDERS AND PROTEST PROCEDURE**

Any Bidder who has submitted a proposal and been notified that they were not selected for contract award may request a debriefing conference. Debriefing requests must be received by the RFP Coordinator no later than 5:00 PM, local time, in Olympia, Washington on the third business day following the transmittal of the Unsuccessful Bidder Notification or posting of the Notice of Apparent Successful Bidder on WEBS, whichever is later. The debriefing must be held within three (3) business days of the request.

Requests for a debriefing conference must be in writing and signed by the Bidder or an authorized Agent.

Discussion at the debriefing conference will be limited to the following:

- The AGENCY'S procedures used to follow the evaluation process articulated in the RFP.
- Evaluation and scoring of the Bidder's proposal.
- Feedback on the Bidder's proposal based on the evaluation.
- Review of Bidder's final score in comparison with other final scores without identifying the other Bidders.

The RFP coordinator will schedule the debriefing conference for a maximum of one hour which must be held within three (3) business days of the request and will promptly notify the Bidder of the debriefing conference date and time. Comparisons between proposals or evaluations of the other proposals, other than the final scores, will not be allowed. Debriefing conferences may be conducted in person or on the telephone.

Only Bidders who submitted a proposal and who have participated in a debriefing conference may file a protest. Upon completing the debriefing conference, the Bidder is allowed five (5) business days to file a protest of the acquisition with the RFP Coordinator. Protests must be received by the RFP Coordinator no later than 5:00 PM, local time, in Olympia, Washington on the fifth business day following the debriefing conference. Protests may be submitted by e-mail.

Bidders protesting this procurement must follow the procedures described below. Protests that do not follow these procedures will not be considered. This protest procedure constitutes the sole administrative remedy available to Bidders under this procurement.

All protests must be in writing, addressed to the RFP Coordinator, and signed by the protesting party or an authorized Agent. The protest must state the RFP number and the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination, or conflict of interest on the part of an evaluator.
- Errors or flaws in the scoring process.
- Non-compliance with procedures described in the procurement document or AGENCY policy.

Protests not based on one or more of the three issues immediately above will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, or 2) AGENCY and the BOARD's assessment of its own or other agencies' needs or requirements.

Upon receipt of a protest, a protest review will be held by the AGENCY. The AGENCY Director, or an employee delegated by the Director who was not involved in the procurement, will consider the record and all available facts and issue a written decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Bidder that also submitted a proposal, such Bidder will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit, therefore deny the protest and uphold the AGENCY's action; or
- Find only technical or harmless errors in the AGENCY's procurement process and determine the AGENCY to be in substantial compliance, therefore deny the protest and uphold the AGENCY's action; or
- Find merit in the protest and therefore provide the AGENCY options which may include:
  - Correct the errors and re-evaluate all proposals; or
  - Cancel the solicitation and, at the AGENCY's sole discretion, begin a new solicitation process; or
  - Make other findings and determine other courses of action as appropriate.

If the AGENCY determines that the protest is without merit, the AGENCY will enter into a contract with the Apparent Successful Bidder. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken. The RFP coordinator will post a copy of the protest and determination on WEBS and provide copies to the AGENCY head and the Director of the Department of Enterprise Services.
