

Instructions for Completing State Work Study Time Sheet

Student: Complete the Student Section. For the “First day hours were worked” enter the first day (month/day/year) in this pay period on which you worked. For “Last day hours were worked” enter the last day (month/day/year) in this pay period on which you worked. Enter the number of hours you worked under “Record of actual hours worked” next to the appropriate date. At the end of the pay period, total the “Record of actual hours worked” and enter that figure on the “Total hours worked” line. Read and sign the statement regarding your certification of the hours reported and your continued eligibility for the State Work Study program. Be sure to date the form on or after the last day worked. Give the form to your supervisor.

Employer: After paying the student the hours reported in the Student Section, type, or print in ink, all information requested in the Employer Section. Read the employer’s certification statement, then sign and print your name, and date the form (on or after the last day the student worked). Retain a copy of the time sheet for your records. Forward the original to the student’s college for processing.

Important: Complete the time sheet accurately; any blank or incorrect items may delay your reimbursement. Time sheets not forwarded to the student’s college within 15 days of the end of the pay period may deny reimbursement.

College: Verify the information on the time sheet. Once verified, complete the College Section, including institution code (from the list below). Retain a copy of the time sheet for institutional records. Forward the original to the Higher Education Coordinating Board (HECB) for employer reimbursement. Incomplete or late time sheets submitted to the HECB can result in delayed or denied reimbursement for employers.
