

February 10, 2012

Randy Spaulding  
Director, Academic Affairs  
Higher Education Coordinating Board  
917 Lakeridge Way SW  
Olympia, WA 98504-3430

Dear Randy:

Washington State University would like to report that on February 9, 2012, our Faculty Senate approved an extension of an established program to a new campus. The degree, currently offered at WSU Pullman, will be offered at our Tri-Cities campus.

Program Title: Bachelor of Science Civil and Environmental Engineering  
College: College of Engineering and Architecture  
Delivery method: Classroom WSU Tri-Cities  
Implementation Date: Fall 2012  
Anticipated FTE's 25  
2012  
Anticipated FTE's 40  
Full Enrollment

Thank you for your assistance in initiating the 30 day comment period. We look forward to offering this program to our Tri-Cities students.

Jane C. Sherman  
Vice Provost for Academic Policy and Evaluation

Copy: Akram Hossain, Professor, Civil Engineering
